About JJMC

Established in 2057 BS at Lalbandi of Sarlahi, Janajyoti Multiple Campus is a renowned name in the field of higher education in the middle-east region of Terai. Some self-directed and positive minded pro-educationists' endeavor brought this campus in existence so as to address the demand of local guardians to give quality education to their children at walking distance. Located at only one minute 'on foot distance' south from the East-West Highway at western most part of Lalbandi Municipality, this campus has been able to make itself a living image in every passerby's mind. The campus, with its modern infrastructures welcomes everyone concerned. The heart-touching greenery and scenic view of the campus is another alluring factor.

The campus offers various courses in Management, Education and Humanities in three shifts: morning, day and evening. A team of hardworking and result oriented teaching as well as non-teaching staff is ever ready to help the students. This campus not only imparts a quality education but also equally functions in a responsible way. To facilitate the job seekers and counsel to the needy ones, campus has an employment and counseling cell. The joint effort of these all really has made the Janjyotians a point of attraction in the sector they are involved.

Since its establishment, the Campus has been dedicated for quality education to the students. For the mission of improving the quality of higher education in Nepal, UGC has launched the program of the Quality Assurance and Accreditation (QAA). Janajyoti Multiple Campus participated in QAA procedure. It has been accredited by UGC Nepal in 2022.

Message of the Chairperson

Janajyoti Multiple Campus (JJMC) is justifiably proud of its reputation. We have dedicated staffs, supportive community, interesting assemblies and great students and our lead valued based pioneering efforts are synergized excellence amongst the learners. In a short span of its life, we have left no stone unturned to offer multitudes of higher education opening to empower creative minds to meet the challenges of a competitive environment.

Personally, I am very delighted to be acquainted with the prospective students, parents and the well-wishers by welcoming at Janajyoti Multiple Campus, one of the pioneering community campuses of Nepal. At last but not the least, I do hope JJMC to be a successful higher education institution not only in Madhesh province but also in national and international level.

Mr. Dipak Adhikari,
CMC, Chairperson

विद्या धनम् सर्व धनम् प्रधानम्
“Affordable Quality Education, Our Dedication.”

Vision

To develop Janajyoti Multiple Campus as a leading academic institution of excellence, producing competent, ethical, innovative and socially responsible graduates who can compete in the national and global market, is its vision.

Mission

The mission is to provide quality, inclusive, and career-oriented higher education through effective teaching-learning practices, research, innovation and community engagement for the overall development of students and society.

Goals:

- Strengthen good governance, leadership, transparency and participatory management system.
- Ensure effective and market-oriented curriculum management with regular review and improvement.
- Promote research culture, innovation, and knowledge extension activities.
- Develop and upgrade physical infrastructure, ICT systems and learning resources.
- Enhance student welfare, support services, career guidance and placement system.
- Strengthen human resource development through training, motivation and professional capacity building.
- Promote the campus's reputation nationally and internationally.

Objectives:

- To develop the quality of education increasing the pass percentage and reducing the drop-out rates.
- To facilitate in running various programs for self-employment and entrepreneurship.
- To establish more harmonious and stronger relationship between the campus and the stake-holders.
- To make academic, administrative, economic and managerial functions more up-to-date and transparent.
- To increase the educational quality of feeder schools and campuses.
- To encourage research activities and develop human resources.
- To promote technical education according to contemporary demand.
- To make the Campus self-dependent by increasing sources of income
- To increase physical facilities
- To enhance health and environmental awareness, and increase students' participation on waste management, plantation and sanitation to mitigate climate change
- To conduct the gender equality and women empowerment activities
- To amend the existing plans and policies

Message from the Chief's Desk

Today, Janajyoti Multiple Campus (JJMC) has blossomed into a magnificent center of learning and has recently become the Quality Assurance Accreditation (QAA) institution certified by the UGC, Nepal. JJMC is committed to embracing an inclusive quality education and proudly announces that the courses and services provided by the campus are of the highest quality. Undoubtedly, it is a unique garden of qualified and experienced teachers and has been offering different courses of bachelor's and master's degree. It has left no stone unturned to impart quality education keeping the motto of 'Affordable Quality Education, Our Dedication'.

As per the dire need of time, we are on path of running BBA, BIT & BSW programs in near future.

We heartily welcome you at Janajyoti Multiple Campus.

Mr. Birendra Chaudhary
Campus Chief

Alumni Message

Shastha Dhungel

My time at Janajyoti Multiple Campus has been truly transformative, enriched by inspiring teachers, supportive staff, and a vibrant learning environment. The outstanding guidance, practical learning and professional development opportunities have enhanced my knowledge, confidence, and skills, preparing me to build a successful professional career.

Bijaya Mahato

Janajyoti Multiple Campus provides a supportive and innovative learning environment with dedicated faculty, quality education, and opportunities for practical learning. Its commitment to academic excellence, digital pedagogy and student development makes it an excellent institution for higher education and professional growth.

Dipesh Pakhrin.

Being appointed as a Foreign Service Officer is a proud milestone, built on the strong foundation of Janajyoti Multiple Campus. Its dedicated teachers nurtured my knowledge, confidence, discipline and vision. I remain grateful to my mentors and the institution for shaping me into a capable professional and responsible citizen.

Scholarship Scheme

The college provides various types of scholarship: full, partial and special to its deserving, needy and promising students. The scholarship is awarded to the students on the basis of their previous result, the performance in the extra-curricular activities and sports. Besides, a special scholarship provision has been made for Dalits, Janjatis, differently-able, female students and the students from remote areas.

Admission Procedures

The campus administration announces admission for the Bachelor and Masters Degrees level according to the admission program of TU. The aspirants can collect the admission form from the information section. The students have to fill up the form and submit it along with the photocopies of their academic certificates.

The applicants, thereafter, can take admission in their level and departments they wish. However, the college conducts an entrance examination for MBS, MEd, BICTE, BBS and BBA course (CMAT) set by TU and passed ones only can get admission for the course.

Message from the Assistant Campus Chief

A Message to Students, Parents and Stakeholders : Education is not merely the pursuit of a degree; it is the journey of discovering potential, building character, and preparing to create a meaningful future. At Janajyoti Multiple Campus, we are committed to nurturing knowledge, confidence, creativity, and responsible citizenship through quality and innovative education. I warmly encourage our students to dream boldly, learn continuously, and transform challenges into opportunities. To parents and valued stakeholders, your trust, partnership, and encouragement are the foundation of our shared success. Together, let us create an inspiring academic environment where every learner can flourish, contribute to society, and become a catalyst for positive change.

Narad Bahadur Dhama
Assistant Campus Chief
Faculty of Management

Special IT Course

BICTE

It is a matter of great pride to announce that JJMC is the pioneering public campus to offer BICTE courses in Madhesh province and desire of students to enroll in the course is really alarming after the completion of their school education. In this turn, no doubt JJMC deserves quality education with adequate provision of best IT lab, well-furnished and techno-friendly classrooms, qualified teachers and installation of best electronic devices. Besides, the course is found to be a stepping stone for creating wave of techno-friendly teaching learning activities and building efficiency among the faculties.

As far as the course is concerned, Tribhuvan University, faculty of education has designed four years (8 semesters) specialization course on information and Communication Technology (ICT) in bachelor level program.

This program provides students with a broad education in Computer Science and IT concepts including Programming Languages (C, C++, JAVA, PHP, C#, ASP.Net, Python), Hardware concept, DBMS, MIS, Data Structures, Computer Graphics, Cyber Law, Artificial Intelligence, Web Programming and other ICT allied areas. Students learn theory as well as engage in the practical tools techniques used in the development of Computer Systems and Software.

The successful ICT graduates may progress to the career such as a IT Officer, Computer Teacher in High School Level, Software Application Developer, System Administrator, Web Programmer, Database Administrator, Web Developer etc.

Message from the Assistant Campus Chief

It is my pleasure to welcome you to the Faculty of Education at Janajyoti Multiple Campus (JJMC), a QAA-accredited community campus dedicated to providing affordable, inclusive, and quality higher education. Our Faculty offers diverse programs at both Bachelor's and Master's levels. At the Master's level, we offer M.Ed. in Nepali Education, Population Education, and Education Planning and Management (EPM). At the Bachelor's level, we offer BICTE, Nepali Education, Mathematics Education, Population Education, and English Education.

We focus on creating a supportive learning environment where students can develop knowledge, practical skills, creativity, and professional confidence. Our dedicated faculty members use innovative and learner-centered teaching approaches while encouraging research, technology integration, and continuous learning.

With our commitment to "Affordable Quality Education, Our Dedication," we warmly welcome aspiring students to join JJMC and build a strong foundation for their academic and professional future.

Mr. Shivahari Nepal
Assistant Campus Chief
Faculty of Education
